## Message from Desk of Organizing Secretary

Dear Colleague,

Greetings from the Organizing Committee!

Welcome to the 18<sup>th</sup> Annual National Conference of the Indian Association of Forensic Odontology organized by the Department of Forensic Medicine, GS Medical College & KEM Hospital, Mumbai In Collaboration with the Department of Oral Pathology, Nair Hospital Dental College, Mumbai on 25<sup>th</sup> and 26<sup>th</sup> September 2021.

Founded in 1926, the Seth Gordhandas Sunderdas Medical College (GSMC) and the King Edward Memorial (KEM) Hospital are amongst the foremost teaching and medical care providing institutions in India. The achievements of the institutions that hit the national headlines or won awards such as the Lasker or Padma Bhushan, include the contribution on Rauwolfia serpentina by Dr Rustom Jal Vakil, the first heart transplant in India by Dr P.K.Sen and the first documented Indian test-tube baby by Dr Indira Hinduja. It is also the First Government Medical Hospital in India to have a fully functional Forensic Odontology and Human Identification Laboratory at the Department of Forensic Medicine.

The outbreak of COVID-19 has disrupted the lives, livelihoods, and communities in the past year. To curb its effect, countries all over the world have been forced to adopt social distancing norms and travel restrictions. While most people did not contract the infection, all our lives were dramatically disrupted as the lockdown locked away our everyday contacts and activities. In this extreme situation, for the well-being and safety of everyone involved, the IAFO Office has taken the conscientious decision to hold a Virtual Conference this year.

It is our honor to host the 18th Annual National Conference of the Indian Association of Forensic Odontology and we are excited to bring to you a host of experts from around the world, keynote lectures, scientific extravaganza, a unique online platform for scientific deliberations, and time for networking with old and new colleagues.

“See” you there!!!

Warm Regards,

Dr. Hemlata Pandey

Organizing Secretary

18th IAFO Conference, Mumbai

# Keynote Speakers

**Dr. Ricardo Henrique  
Alves da Silva**

The Forensic  
Odontologist in Malpractice  
Litigant Cases

**BRAZIL**
